hello...

Bethlehem City Auction August 19!

Tickets for the Auction are available today. The dinner will be catered this year by Joe’s Italian Restaurant. Let me ask our Life Groups to begin thinking about putting together a basket for the silent auction. Also, if you own some vacation property that you might donate a week for the auction, or you know a business owner that might want to donate an item to the auction, let us know about it! The dinner and auction are a lot of fun, and it is our largest support for Bethlehem City. Another major source of support is our Bethlehem City Golf Tournament at Panorama Village on Monday, October 10. Start getting your foursome together!

Town Hall Meeting and Fellowship

On Sunday, August 28, we will have an ice cream sundae fellowship and town hall meeting at 5pm in the Worship Center. At this time, we will roll out our long-range strategy plan, “Connect 2026.” These are major objectives that will give us direction in the next 3 ½ to 4 years. We will not get all of them done in the next twelve months unless God changes the agenda. It will be a plan that will take some time. It will also not be a detailed list including everything we normally do. I will be calling our church into a special business meeting to affirm the plan so that we can begin working on it. It has both capital development and ministry components to it. Next Sunday there will be printed copies available for you to pick up so that you can look at it before the 28th. I want to thank our staff and all of the think tank volunteers that helped in giving input to this plan. We are excited about Connect 2026, and pray you all will be as well.

Pastor Jay
