It's Your Serve, Part 5

THROUGH THE Eyes OF A CHILD

Matthew 18:1-6

It's Your Serve!

Check out our member service profile, our ministry brochure, and deacon nomination form in the Greeting Area in the Foyer. On June 20 and 27, we have two exciting things happening. We will be having a Ministry Fair in our old Children's Wing with booths of a number of ministries for you to view and people to talk to. In addition, we will be having a "lightning round" of our Serve Central class at 9:30 in the Library those two Sundays where you can learn about your spiritual gifts and passions and give us information about ways you like to serve. I may have caused some confusion. You do not need to attend both Sundays. You can choose to attend the lightning round EITHER the 20th or the 27th. You can register now for that class by calling or emailing Crystal Miller in my office. Her email is crystal.miller@wcbc.us.

VBS Was Awesome!

Monday and Tuesday we had somewhere in the neighborhood of 320-350 kids attending. They learned that they are treasured by God. They will be singing some of the songs they learned during the week in the late service. After the late service there will be a celebration picnic up on the Hilltop with jump houses, foam slides, and 500 hot dogs! Make plans to be here at noon to meet many of the guest families that will be here, have some great fellowship and enjoy some hot dogs.

Southern Baptist Convention in Nashville

Dianna and I will be heading to the airport immediately after the early service today to catch our flight to Nashville. Please be praying for this annual meeting that God will bring some healing and reconciliation. You may already know that there are some factions in the convention that could result in diminishing the work of the SBC if we cannot come to a place of agreement. The SBC is still the largest mission sending agency in the world, the largest church planting ministry in the world, the leader by far of any aid given by religious denominations, most importantly it is the leader of evangelism effort by any denomination in the US. Satan, no doubt, would love to sabotage the mission and ministry efforts that God has given to some 47,500 churches that call themselves Southern Baptists.

Cross Conroe – June 21-24

Cross Conroe will look a little different this year than in the past. We may not be able to do as many projects or the size of projects we have done before, but there is a lot already planned and we need you to sign up to serve on one of the teams. We are only two weeks away. We need volunteers in every area. Please don't assume that we know you will be involved. Sign up today in the Crossing.
